

## Cupcake Name Placeholder/ Photo Holders

You will need...

- Scene-A-Rama® Foliage & Grasses Kit
- Modeling Clay or Casting Plaster
- Cupcake Wrappers
- Project Wire
- Plastic Cup
- Small Sticks (chopsticks or kabob sticks) - approx. 6"
- Markers
- Construction Paper

Place cupcake wrapper in plastic cup. Fill cupcake wrapper with Modeling Clay or Casting Plaster. Cut stick to 4" and save the remainder for the perch.

Coil one end of wire into a spiral and the other end around the stick. Place in center and allow to harden.

Cover stick and wire with Foliage Fiber.

Cover Plaster with Turf and spray with Project Glue. Glue Bushes around stick then sprinkle Yellow Flowers over all. Spray with Project Glue to seal.

Cut owl shape out of paper and decorate with markers. Glue owl and stick to Foliage Fiber.

Insert photos or name placeholders into the wire spiral.
