

## Put Put Party Favors

You will need...

- Scene-A-Rama® Basic Diorama Kit
- Foam Board (approx. 10 3/4" x 16 1/4")
- Hobby Knife
- Toothpick
- Markers or Paint
- Construction Paper
- Sixlets® Candy (optional)

Draw 6 different organic shapes on foam board. Glue ReadyGrass® Sheet to the opposite side.

When glue is dry, cut shapes out of foam board with hobby knife.

Sketch landscape areas such as sand traps, water hazards, roughs and greens on ReadyGrass® Sheet.

Wet and remove water and sand areas with a dull object. Color water areas with markers or paint. Draw hole on the green with a black marker.

Make and glue one tree on each shape. Add Turf colors and spray with Project Glue. Glue bushes in place and sprinkle with Yellow Flowers. Spray again with Project Glue to seal.

Cut flags out of construction paper and decorate with markers. Glue to toothpick and insert near hole. Add Sixlets® Candy to represent golf balls.
