

## Tent Campsite

You will need...

- Scene-A-Rama® Rock Making Kit
- Scene-A-Rama® Foliage & Grasses Kit
- Cloth or Construction Paper
- Battery Operated Tea Light
- Small Sticks (chopsticks or kabob sticks)
- Foam Board or Cardboard (approx. 8" x 10")

Cut a piece of foam board to approximately 8" x 10"

Spray with Project Glue and cover generously with Turf. Spray Turf again with Project Glue.

Make and color rocks. Glue in place for path and campfire ring, making sure to leave enough room for the tea light. Fill in the path with Talus.

Cut a piece of cloth or construction paper, approximately 8" x 5". Cut 4 sticks approximately 4" long for ends of tent. Cut 1 stick approximately 5" long for the middle of the tent.

Glue sticks in place and fold tent as shown. Glue in place on diorama.

Add Bushes and Wild Grass as well as any additional details. Sprinkle other Turf colors around the tent and campfire and spray with Project Glue. Place tea light in campfire ring.
